

Curriculum Vitae **Andrew Rosen, PI, CCI, CFT**

President, ASR Data Acquisition & Analysis, LLC
Forensic Computer Scientist

As a Forensic Computer Scientist, Andrew Rosen offers unique litigation support services to the Legal, Law Enforcement and Investigative communities.

With over thirty years of experience in the recovery of computer data and forensic examination (computer forensics), Mr. Rosen regularly provides expert testimony in federal and state courts.

Along with training attorneys and law enforcement officials in computer investigation techniques, Mr. Rosen frequently speaks and writes on emerging matters in the field.

In summary, Mr. Rosen has a worldwide reputation for developing cutting-edge computer crime investigative tools and is frequently consulted by other professionals in the industry.

Accolades:

**U.S. Dept Of Justice,
FBI**

“as a leading authority in the field, your contributions have been significant”

Donald Thompson, Jr.

**U.S. Dept of Justice,
Criminal Division**

“your expert assistance and testimony contributed substantially towards our obtaining an optimal result”

Joseph S. Gerbasi
